

Hello

I'm Katie
McCarty

DIRECTOR OF MARKETING

Katie has 5+ years of experience working in Medically Assistance Treatment and 15+ years working in social work. Katie brings lots of community resources with her to Renewed Beginnings and has experience as a counselor and a leader in MAT treatment. Katie will work diligently to bring our patients the resources needed to help them succeed in their recovery and make sure that every patient has access to what is needed to be successful in treatment. In addition to her career, in her spare time, Katie loves to travel with family, bowl competitively with friends and enjoy free time with her dogs.
