

Hello

I'm Emily
Prichard

DIRECTOR OF CLINICAL SERVICES

Since 2018 Emily has been a Certified Alcohol and Drug Counselor and in 2023, became a Certified Clinical Supervisor. She has worked in MAT for more than a decade. Currently, she is working on becoming a Medication Assisted Treatment Specialist. Emily has found a passion by taking her experience and knowledge and giving this to the next generation of counselors through individual and group supervision, training, and consistent support. Emily's mission is to protect the welfare of clients by working closely with counselors to ensure the quality of care and integrity of clinical services are maintained at Renewed Beginnings. In her spare time, Emily loves to take her young child exploring the joys of life through hiking, kayaking, and traveling. Emily likes to craft while listening to podcasts, classic rock, or heavy metal.
