

Hello

I'm Dr. Alexander Morgan

PROGRAM PHYSICIAN

Dr. Morgan is a fellowship trained, board certified addiction medicine specialist. He is extremely focused on obtaining the best results for his patients by combining empathy, compassion, and current, evidenced based treatments. He completed his fellowship at the West Virginia University Department of Psychiatry under the direction of Dr. James Berry, an internationally recognized expert in the treatment of opioid use disorder. Dr. Morgan was previously an addiction medicine research scientist at Brookhaven National Laboratory where he worked on the development of pharmacologic treatment strategies for stimulant use disorder (cocaine and methamphetamine). Dr. Morgan was mentored by Dr. Nora Volkow, the current director of the National Institute on Drug Abuse (NIDA) of the National Institute of Health (NIH).
